### 1.Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

### 2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment. To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable.
- Allow pupils to wear headscarves and other religious or cultural symbols.
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the headteacher, who can answer questions about the policy and respond to any requests.

### 3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform. We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. We will make sure our uniform is available at a reasonable cost and is the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Allowing items without a school logo that can be purchased from most supermarkets.
- Avoiding different uniform requirements for different year groups.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items. We offer a preloved uniform selection at school. Please contact the school office for more information.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

#### 4. Expectations for school uniform

Our school's uniform consists of;

- Bottle green sweatshirt or cardigan (with or without a school logo)
- Grey trousers or shorts
- Grey skirt or pinafore dress
- Green and white/yellow and white checked or striped dresses
- Gold polo shirt (with or without a school logo)
- Black Shoes or boots (not trainers)

Children wearing lace up shoes need to practice fastening their shoes independently. Jewellery is limited to stud earrings only and these cannot be worn for PE. (The children must be able to remove and replace their own earrings independently). Please speak with the class teacher or Headteacher if you wish your child to wear any specific jewellery. Hair should be tied back for school activities, especially on PE days. Hair accessories should be small and in school colours.

Temporary skin tattoos and nail varnish are not part of school wear. We expect all our children to wear suitable clothing for PE and outdoor activities. PE Kit for boys and girls consists of; black shorts plain white T shirts plimsolls or trainers. For outdoor PE during the winter we like the children to have a track suit bottom. These should be plain black with no logos. Children should, ideally, have their P.E kits in school every day.

Can you please ensure that all uniform is labelled to ensure any lost items can be returned to their owner.

Some sizes of sweatshirts, cardigans and polo shirts are available from the school office with the school logo. Order forms can be found in the school office or on the website to order items not held in stock. However, alternatives may be purchased from other retail outlets, just as long as they are the school colours of bottle green and gold. We also supply book bags containing the school logo. These are available from the school office.

#### 5. Expectations for our school community

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the school premises.
- Travelling to and from school.

- At out-of-school events or on trips that are organised by the school, or where they are representing the school.

Families are also expected to contact the Headteacher if they want to request an amendment to the uniform policy in relation to their protected characteristics. Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name
- In good condition

Parents are also expected to contact the headteacher if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics.
- The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner. Disputes about the cost of the school uniform will be resolved locally and dealt with in accordance with our school's complaints policy. The school will work closely with parents to arrive at a mutually acceptable outcome.

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the headteacher if the situation doesn't improve. In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context.
- Is implemented fairly across the school.
- Offers a uniform that is appropriate, practical and safe for all pupils.

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

## 6. Monitoring arrangements

This policy will be reviewed every 2 years by the Senior Leadership Team. After every review, it will be approved by the full governing body.
